The exhibition of Children's Book Illustration is a place for all to appreciate and enjoy art children, adults, families and even art collectors.

This exhibition of works of the Biennial of illustrations of Bratislava in the Slovak Republic is the second held in Indonesia. The first one was held here in 1991. Until 2001, The BIB has been conducted 18 times in Bratislava, the capital of the Slovak Republic. The BIB is one of the most prestigious and respected children's book illustration competitions in the world.

A galleri exhibition of children's book illustration highlights the extraordinary techniques of this art form. The illustrators show great skill in the creative decisions they have made as they reflect, interpret, and extend the texts. All art lovers in Indonesia will appreciate this exciting new work.

This exhibition will present the works of the world illustrators from Slovakia, Poland, Russia, Germany, Indonesia, Switzerland, The Netherland, Iran, Croatia and others.
