THE **BIBIANA** International House of Art, working together with the Museum of Czech Literature in Prague, has prepared a unique project: a touring exhibition called Najkrajšie české a slovenské detské knihy / The Most Beautiful Czech and Slovak Children's Books.

In their first joint exhibition of this kind following many years of cooperation, 100 Slovak and 100 Czech award-winning books for children published in the last 10 years are presented. After beginning in Prague, the exhibition can now be seen at the **Bibiana** Gallery, Panská 41 in Bratislava, Tuesday to Sunday from 10:00 to 18:00, until March 4.
